Douglas Lee Tillotson, son of Mr. and Mrs. Wesley T. Tillotson of 1427 El Prado, has been elected secretary of the Associated Men Students of Occidental College, and will assume duties in this important post in February.

A graduate of Wabash High School, Tillotson attended Compton Junior College before entering Occidental where he is a sophomore, and affiliated with Sigma Alpha Epsilon fraternity.

Five Students Invited to Do Radio Program

Five pupils from Torrance Elementary school are scheduled to appear on the General Electric House Party radio program tomorrow (Friday) afternoon. They are Diane Henshaw, John Bentwood, Jan Lea Plants, Danny Kirks and Gene Theilman.

They have been invited to tour the studios, after which they will be taken to luncheon, and will then take part in a radio interview.

Sale of Yule Seals Brings \$139.99 Here

Torrance residents purchased \$139.99 worth of Christmas Seals during the recent supplement sales campaign. It was revealed today by Miss Constan A. Reeve, who, with Mrs. W. H. Stanger, was chairman for the program. In addition, a large number of seals were purchased through the regular mail sale, she said.

"There are many who regularly purchase Christmas Seals who have not yet made their return this year," Miss Reeve added, "and until they do make payment the goal of \$468,000 based on 1949 needs, cannot be met. The vital tuberculosis, heart disease and rheumatic fever services will suffer accordingly." Checks should be sent to the Combined Christmas Seal Fund, 117 West Ninth street, Los Angeles 15, she advised.

At the same time, it was announced that the Palos Verdes supplemental sale, under the direction of Mrs. Kirby Temple, had netted \$10.50 through self sellers placed in retail stores there.

Honesty of thought and speech and written word is a jewel, and they who curb prejudice and seek honorably to know and speak the truth are the only builders of a better life.
